Dear David,

Re: Low Carbon Challenge Fund

As Service Lead for Economy & Regeneration for South Ayrshire Council, I am delighted to hear about the success of the "Supply Chain Development for Lifetime Extension and Reuse" application into the Scottish Enterprise managed Low Carbon Challenge Fund.

I would like to confirm South Ayrshire Council's match funding within this project of £60,000. We understand that when you have received the Letter of Award from Scottish Enterprise, the University of Strathclyde you will forward on a formal agreement to be signed by us, which will align with the Letter of Award, and also outline the schedule of payments.

Yours sincerely,
