Videos

- **[Open Access Explained!](#)** A short (8 mins) animated video that explains the basics of Open Access.
- **[Research in 3 Minutes: Open Access.](#)** A short video explaining the basics of Open Access produced by the Office for Scholarly Communication, Cambridge.
- **[Paywall: The Business of Scholarship](#)** is a documentary which focuses on the need for Open Access to research and science. The film questions the rationale behind the 25.2 billion a year that flows into for-profit academic publishers, examines the 35-40% profit margin associated with the top academic publisher, Elsevier, and looks at how that profit margin is often greater than some of the most profitable tech companies such as Apple, Facebook and Google. The film is free to stream and download.
- **[What is Open Data?](#)** A two-minute video introducing the concept of open data, with some example formats and applications.
