

Inspiring Pupils to Learn Languages in the Age of Global English

Language Assistants and Scotland's 1+2 Languages Policy

Event Guide:

This lively showcase and networking event is a collaborative venture between SCILT, Scotland's National Centre for Languages and British Council Scotland. It will demonstrate the impact of projects undertaken by British Council Foreign Language Assistants working in Scotland and the support returning English Language Assistants can offer to Scottish schools. The reciprocal nature of the Language Assistants programme and the mutual benefits are highlighted, as well as examples of best practice. There will be interactive presentations followed by a Q&A session.

There will be a pre-event networking reception which will take place from 4.30pm – 5.00pm. Light snacks and refreshments are included. During the networking reception and exhibition there will be the opportunity to meet and network with participants from the preceding event.

Venue & Registration:

Wednesday 30th April 2014
Registration & networking reception 4.30pm – 5.00pm
Event 5.00pm - 6.30pm
McCance Building, Level 3, Lecture Theatre 1 ([map](#)).

To register please go to
www.engage.strath.ac.uk/event/104/

Audience:

- Government officials involved with the 1+2 languages policy
- Decision makers from Education Scotland
- Key stakeholders from local authorities and independent schools in Scotland
- Stakeholders in languages education from across the UK
- Inbound and Outbound Language Assistants - past and future
- Year Abroad and School Link Coordinators (Universities)

Benefits of attending:

- See the value of employing Language Assistants in your local authority or school and the real difference they can make in implementing the 1+2 languages policy
- Find out how outbound Language Assistants from Scottish universities can engage with schools to inspire language learning
- Be inspired to try out different language learning approaches
- Network with a range of educational stakeholders
