Ethos and life of the school
“Learning through health and wellbeing promotes confidence, independent thinking and positive attitudes and dispositions. Because of this, it is the responsibility of every teacher to contribute to learning and development in this area.”

Building the Curriculum 1
“Learning through health and wellbeing promotes confidence, independent thinking and positive attitudes and dispositions. Because of this, it is the responsibility of every adult to contribute to learning and development in this area.”
School Improvement Plan

Key outcome:

Pupils will learn in an attached informed school.
Progress so far ……

- Very engaged, committed staff
- Training programme co-developed by CELCIS and SLC Psychological Service and delivered by CELCIS
- Many questions being asked ….
- Research learning group established
- Evidence of staff reflecting on training and engaging in further reading
Progress so far ……

- Staff considering the what rather than the why for behaviours being displayed
- Understanding the negative impact of shame – who’s benefit?
- Staff reflecting on the bigger picture
- Deeper understanding of all school staff about impact on learning that previous experience can have for children
- Hope that they have the ability to make a difference
Challenges ahead….

- Involving parents / carers
- Supporting staff with issues as they arise
- Budget constraints
- Environment / building
- Getting it right for every child!
