Dear Keith,

#### ELECTION AS A CHARTERED GEOLOGIST

I am pleased to inform you that you were elected as a Chartered Geologist of the Geological Society on Wednesday April 2<sup>nd</sup>. You are now entitled to use the designatory letters CGeol FGS after your name. A Certificate confirming your status as a Chartered Geologist will be sent under separate cover. Please note that your Chartered Geologist status is only valid if you maintain Fellowship. I would also like to draw your attention to our Codes of Conduct (see website) which are of increased importance now that you have gained Chartership status.

Now that you are a Chartered Geologist you may be interested in also obtaining the status of European Geologist (EurGeol), the professional title of the European Federation of Geologists (EFG). The European Federation of Geologists also publishes a magazine, *European Geologist*, and a quarterly web-based newsletter – *EuroGeoPages*. The annual fee is just £28. Further details can be found via [www.geolsoc.org.uk/eurgeol](http://www.geolsoc.org.uk/eurgeol). Elections take place every few months.

Please note that as a Chartered Geologist that you are now required to complete a Continuing Professional Development (CPD) record annually. We recommend that this is done via the Society's online system, ([www.geolsoc.org.uk/cpd](http://www.geolsoc.org.uk/cpd)) however, if you have difficulties, or wish to record your CPD via another scheme please inform the Fellowship Services Manager.

With best wishes from myself and Council,

Yours sincerely

D T Shilston
